SHABIR MUHAMMED PK

I am a creative, artistic, and ambitious individual with a great passion for the design industry and a talent for thinking outside the box and coming up with innovative designs and ideas. I am currently in my third year of studying BSc Computer Science at EMEA College of Arts and Science, Kondotty under the University of Calicut. I am also a UI/UX designer with more than one year of industry working experience in User Interface and User Experience designing. I pride myself on providing excellent service to all clients and seeing the satisfaction I make in people's lives and businesses.
